CAREER SUMMARY

I am a skilled and experienced frontend developer with a passion for creating visually appealing and user-friendly web applications. With 2 years of experience in the field, I have successfully delivered numerous projects and contributed to the development of dynamic and interactive websites. I have a strong understanding of responsive design principles, cross-browser compatibility, and accessibility standards to ensure a seamless user experience across different devices and platforms.

WORK EXPERIENCE

Web Degigner

Sept 2021 - Present

Digital Web Developers

I am a passionate and skilled web designer dedicated to creating visually stunning and user-friendly websites. I bring a blend of creativity, technical expertise, and a user-centric mindset to my design process, resulting in impactful and engaging web experiences. I am eager to take on new challenges and contribute to projects that push the boundaries of web design.

Achievements:

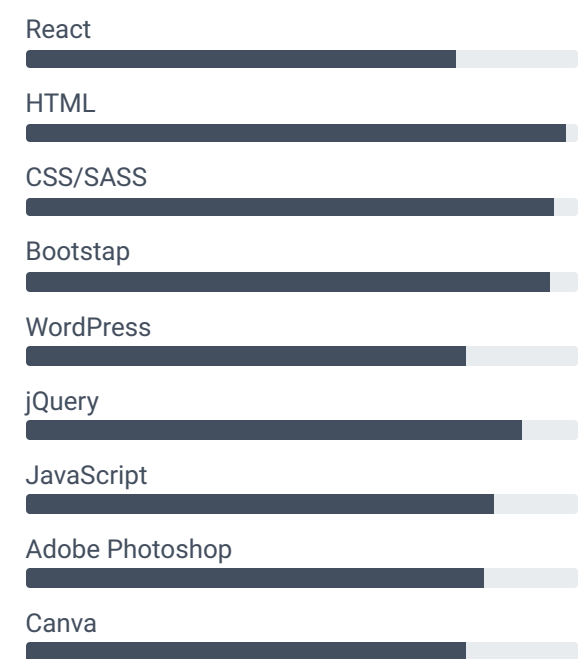

- Created a custom CMS solution that streamlined content management processes and reduced website maintenance time by 50%.
- Collaborated with UX designers to redesign and enhance the user interface, resulting in improved usability and higher customer satisfaction.
- Contributed to open-source projects, receiving recognition for valuable code contributions and bug fixes.

Technologies used:

[React](#) [HTML](#) [CSS/SASS](#) [Bootstap](#) [WordPress](#) [jQuery](#) [JavaScript](#) [Photoshop](#) [Canva](#)
